*** NOTICES ***

The Two-Tone Black/Green finish is applied to firearms in combinations that have been determined to be most aesthetically pleasing and functional. There will be no deviation from our standard Twotone combinations.

All firearms must be received by us in working condition. We do not make repairs or perform modifications.

We ship exclusively by Federal Express and recommend that you also use FedEx.

SHIPPING AND PACKING INFORMATION

Remove stocks, slings and scopes from firearms whenever possible. It's best to use the inexpensive hard-side cases for shipping long guns or barreled actions; they can be bought at most discounters for a reasonable price.

We'll return the case.

We request that you use Federal Express as your shipper.

Be sure to properly and fully insure your shipment.

Use our Order Form or Include the following in writing:

- * Make, model, and serial number of firearm
- * Description and quantity of any disassembled or additional parts sent, including sling swivels, bases, rings, etc.
- * A description of the Black-T[®] Application you want done
 - * A signed copy of your current FFL
- * Your Name and Fed Ex shipping address (no PO Boxes)

PAYMENT INFORMATION

We accept Visa and Master Card, money order or certified check; and you can also order COD (add \$7.00 for COD).

Personal checks are also accepted, but must clear bank prior to our return shipping.

--- or ---

You may include payment with your firearms shipment and we'll return prepaid to your FedEx address.

--- or ---

You may wish to establish an open account with us.

Please call for further information.

**Residents of Alaska and Hawaii must add \$25.00 to the above pricing to cover additional shipping costs to these states.
